Chapter 11  
Case No. 22-11068 (KBO)

Response and Objection to Debtors' One Hundred Ninetieth (190th) Omnibus Objection  
to Certain Overstated and/or Partially Unliquidated Customer Claims

Relating to Proof of Claim No. 91332

Filed by:  
Jerry McGuffin

## **I. PRELIMINARY STATEMENT**

I, Jerry McGuffin, respectfully submit this formal objection and response to the Debtors' One Hundred Ninetieth Omnibus Objection, which seeks to reduce my claim (Proof of Claim No. 91332) from \$76,390.02 to \$51,390.02. The further \$25,000 reduction is unsupported by any transaction-level evidence and contradicts both the FTX Portal records and my November 2022 bank statement.

I respectfully request that the Court deny the Debtors' objection and reinstate my full claim in the amount of \$126,390.02, or, at a minimum, no less than \$101,390.02, based on the facts and evidence outlined below.

## **II. STATEMENT OF FACTS**

### **A. Original Claim and FTX Portal Balances**

I originally submitted Claim No. 91332 for \$76,390.02 through the FTX online system in September 2023, which I used and matched the USD balance listed on the FTX customer portal at the time of claim filing (see Exhibit G).

Upon further analysis, it became evident that FTX's portal already credited at least one and possibly two \$25,000 USD withdrawals that were never received into my bank account.

I sent an email (Exhibit H) October 2, 2023 to the FTX Support to verify if the ACH did not actually go through due to the timing of the ACH request and attached the Withdraw screenshot of the two ACH withdrawals in question.

On February 21, 2024, I received an email (Exhibit I) back from FTX support stating the withdrawals in question are included or a part of my existing balance.

I subsequently amended my claim online to reflect the proper balance of \$126,390.02, accounting for the two separate \$25,000 ACH withdrawals that were initiated on November 11, 2022—the day FTX ceased operations and were never sent to my bank.

On January 31, 2025 I received Order Sustaining Debtors Thirty-Sixth Omnibus Objection to Certain Overstated Proofs of Claim. This modified my objection from \$126390 back to \$76390 (Exhibit J). Unfortunately I missed the objection period for this Thirty-Sixth Omnibus Objection.

On March 11, 2025 I received the One Hundred Fifty-First Omnibus Objection to Certain Duplicate Proofs of Claim (Exhibit K) to Disallow my claim of \$101,390 and to modify back to the surviving claim of \$76390. Unfortunately I also missed this email in order object to this modification.

On July 22, 2025 I received the current One Hundred Ninetieth Omnibus Objection to Certain Overstated Proof of Claim (Exhibit L) to modify the now surviving claim from \$76,390 to \$51,390. I am now able to respond to this One Hundred Ninetieth Omnibus Objection with the same facts and evidence and disputing the accuracy of the withdrawals in question and accurate balance for claim.

## B. The Two Disputed Withdrawals

On November 11, 2022, two ACH withdrawals were initiated:

Entry ID 227437 – \$25,000 marked as “sent” 2022-11-11T09:32:17.242100+00:00

ID 230158 – \$25,000 marked as “requested” on 2022-11-11T18:24:32.709899+00:00

As shown in the Main Withdrawals report (see Exhibit A) neither transaction includes a transaction ID, which is atypical and highly suspect. All other successful withdrawals listed by FTX show transaction numbers.

As shown in the Core Transactions report (see Exhibit E), only one \$25000 withdrawal listed and it shows as a description of “Circle withdrawal” as well as a “Circle withdrawal Fee”

These listed withdrawals in question appear to have never settled, and no corresponding funds were received into my bank account. My November 2022 Wells Fargo bank statement (see Exhibit F) confirms no deposits or incoming ACH transactions from FTX.

### **III. LEGAL BASIS FOR OBJECTION**

Under bankruptcy law, once a creditor submits sufficient documentation in support of a claim, the burden shifts to the debtor to rebut that claim with credible evidence. See *In re Allegheny Int'l, Inc.*, 954 F.2d 167, 173–74 (3d Cir. 1992).

Here:

I have provided clear documentation: internal FTX records, banking records, and the FTX portal screenshot.

The Debtors have not met their burden. They have failed to provide any proof that either \$25,000 transaction was completed or cleared through the banking system.

### **IV. REQUEST FOR RELIEF**

Given the facts and the lack of evidence presented by the Debtors, I respectfully request the following:

That the Court deny the Debtors' objection to my claim in its entirety;

That the Court recognize my full claim in the amount of \$126,390.02, representing:

The original \$76,390.02 FTX portal balance (Exhibit G);

Plus two unfulfilled \$25,000 withdrawals (Exhibits A, E, F);

Alternatively, if the two entries are deemed to be for the same withdrawal being deducted, I request the claim be restored to \$101,390.02;

That the Court require the FTX Recovery Trust to produce transaction-level confirmation (e.g., ACH records, settlement details, or bank transmission receipts) proving either withdrawal was completed, before reducing my claim further;

That the Court note the inconsistency and confusion of the Debtors' positions:

Their original records (Exhibit G) showed a \$76,390.02 balance

Yet they now seek to further reduce the claim to \$51,390.02, without any new evidence.

The Debtors continue to confuse the balance due to Creditor by using at least one or possibly two unsubstantiated withdrawals and failing to document whether these were used for the original balance listed.

## VI. CONCLUSION

For the foregoing reasons, I respectfully request that this Court:

Deny the Debtors' proposed reduction of Claim No. 91332;

Uphold my total claim at \$126,390.02, or in the alternative, \$101,390.02;

Require the FTX Recovery Trust to present verified transaction records before any claim adjustment is permitted.
